

POV VANDALISM CLAIMS

If your POV can be driven, bring it to the claims office so it can be inspected. Pictures may also be taken of the damage.

The following documents are required and must be completed correctly to process your POV vandalism claim:

- **DD FORM 1842:** Complete and submit one copy. Include the post POC registration number in clock #10.
- **DD FORM 1844:** Include the make and model of your POV, a description of the damage to include any personal property taken, the original cost, month and year of the original purchase, and the cost to repair and/or replace.
- **MP REPORT AND SWORN STATEMENTS:** A military police report must be filed. If any sworn statements are taken, a copy must be turned in with the claim.
- **ESTIMATES:** You must obtain an estimate of repair from the damages done to the POV. The estimate must be from a reputable repair shop that is capable of performing your specific damage.
- **PROOF OF OWNERSHIP:** A copy of either your registration or title for the vandalized POV must be provided to the claims office.
- **INSURANCE POLICY:** **You must provide us with proof that your POV was properly insured at the time of the incident.** You must file your POV vandalism claim with your insurance company first. AN insurance breakdown from the company is required before this office can profess your claim.
